WHAT IS A GOLD PARTY?

A gold party is where you and your friends sell your unwanted gold jewelry, and receive cash. Parties are private and invitation only.

It is fun and easy. Go check your drawers today for your own hidden cash treasure. Turn twisted chains, broken and mismatched earrings, outdated and unused jewelry into cash.

We will coordinate with your schedule and attend a party at your home, office, church, hospital, or fundraiser.

HOST A GOLD PARTY

When you host a party, you will receive a 10% commission on the total gross purchases at your party.

***The more guests.
The more gold.
The more commission for you.***

Once you schedule a party with us, we provide you with the invitations to send to your friends, neighbors, co-workers, and family.

On the day of the party, we will arrive a ½ hour before your scheduled party time to set up our testing and appraisal equipment.

Receive cash from AAA Family Gems for food and beverages to entertain your guests.

ABOUT US

AAA Family Gems, Inc. is a licensed jewelry buyer. Our family has been in the fine jewelry business in Los Angeles & Orange Counties for over 30 years. We are expert buyers, sellers and appraisers of diamonds, fine jewelry and watches.

HOW MUCH DO YOU PAY FOR GOLD?

We will test and evaluate each item for the karat content and weight. We will create a list for each individual person and will pay based on the total gram weight. The testing and evaluation will be done right in front of you and your guests and we will be able to answer any questions anyone might have. We will make cash offers on the spot but there is no obligation or pressure to sell.

WHAT ABOUT GEMSTONES?

Our trained professionals are equipped with the proper tools to remove almost all of the stones from your jewelry and give them back to you on the spot or evaluate them for possible added value.

DO YOU BUY DIAMONDS, WATCHES OR OTHER JEWELRY ITEMS?

Yes, time permitted, we can evaluate other items besides gold and in most cases also make cash offers on them.

HOW LONG DOES A PARTY LAST?

The average party lasts 2 to 3 hours.
